TRAINING FACILITATOR

Professor Erik Larson

Professor Larson is a Professor of Sociology and is the Codirector of Legal Studies Program at Macalaster College in Minnesota, USA. He is well versed with the operations of the capital markets in Fiji having conducted various research assignments since 2000. For over 20 years, he has closely followed developments at the SPX and has conducted in-depth research on the capital markets in Fiji. This initial research included attachments with the SPX, brokerage firms, market regulator, and institutional investors and also involved detailed archival research on the stock exchange. Professor Larson has published articles in top-10 ranked peer-reviewed journals from this research project. He has also worked with the SPX on a number of projects during the past several years and also possesses practical experience having served as a director of both listed entities and non-listed companies in Fiji.
