1.2 New Investors

✘ By Month

- On the new investor front, eight new/first time investors were recorded in September. Additionally, it was noted that multiple existing shareholders who had invested for the first time earlier in the year had re-entered the market during the month to either increase their investment in the same listed entity or diversified their investment portfolio by investing in a new listed entity. In total, over the past nine months, 121 new investors have been recorded where majority of these new investors have been seen to be investing in FHL followed by ATH and FMF. Other entities which have attracted new investors include; KFL, FBL, BCN, RBG and APP.
- Details of listed entities most preferred by new/first time investors is portrayed below:

✕ By Investor Type

- Over the past nine months, “Individual” investors accounted for the major portion of new investors by investor type followed by “Joint/Family” type of investors.
- This is portrayed below for more information:

✕ By Occupation

- The new investors by Occupation so far in 2022 show that majority of the new investors entering the stock market are represented by those employed in the “Private Sector” followed by “Others” (this includes self-employed investors, Trust, Mataqali and Yavusa). It is also encouraging to note that around 13% of the new investors are students.
- This is portrayed below for more information:

✕ By Age Range

- In terms of age groupings of new investors over the past nine months in 2022, it is apparent that majority of new investors who have entered the market are between the ages of 26 years to 35 years followed by investors between the ages of 36 years to 55 years. Collectively, 46.90% of new investors so far this year have been noted to be below the age of 35 years. This is an encouraging trend whereby the young populous is now being seen to become more financially aware about the long-term benefits of investing their savings in investment products such as shares. The SPX credits such shift in investor approach to its ongoing investor awareness initiatives being undertaken through various social media channels.
- A detailed illustration of the new investors by age range is shown below:

✕ By Geographical Location

- Overall and as per historical trends, it can be noted that majority of the new investors are from the Central/Eastern division followed by the Western division-based investors.
- The SPX with the three licensed stockbroking firms is located in Suva which helps investors from the Central division to access our services with more convenience, however, the SPX continues to disseminate all relevant information about investing through other mediums such as the SPX website and social media platforms to ensure all potential investors get access to relevant information about investing. The SPX is confident that with its continuing digital awareness initiatives, this will encourage investors from other divisions to also invest their savings in the stock market as we move forward.
- The investor trend by geographical location is illustrated below:
